PAST PRESIDENT'S DINNER

(review)

Sixty members and guests attended the affair at the "Viva Barcelona" restaurant including past president widows and our most recent past President Johns' wife Eleanor, daughter Susan, and Sister-in-Law Joan.

After a meal of fine food, the "Roast" began. The "Roaster", Tim Freeman, did the usual fine job of jabbing away at the "Roastee".

John would like to thank Past President, Don Fox for putting it all together and making this a memorable evening.

Note: The final vote is still being recounted to see if John will actually be permitted into the inner circle of "Past Presidents".

If you would like to correct/update your calendar entries for next year, see Don Fox.

KIWANIS EDUCATION

Kiwanis also plays a special role in developing future generations of leaders. K-Kids clubs at the elementary school level, Builders Clubs in middle school and junior highs, Key Clubs in high schools, and Circle K clubs at the collegiate level all are Kiwanis organizations that teach community service and leadership skills to young people. In addition, Aktion Clubs are made up of adults with mental and physical disabilities who enthusiastically perform service to help others.

On Monday, January 1, a horse-drawn wagon bearing nature’s bounty and Kiwanis-family members will rumble across a sunflower-lined arch bridge, and more than 150 other television stations worldwide will broadcast the symbolic

crossing.

Proclaiming ‘Together We Can,’ the all-flower float is Kiwanis’ entry in the 118th [Rose Parade](#) in Pasadena, California. The parade begins at 8 a.m. (PST). Among the list of networks broadcasting the parade live are: HGTV, ABC, NBC, Univision, Travel Channel, and Discovery HD. Among the Kiwanis float’s passenger list are: International President Nelson Tucker and First Lady Elva; Circle K, Key Club, KIWIN’s, and Special Olympic representatives, as well as Kiwanis dignitaries.
