Speaking of Gardens

Soon it will be time to think of spring even on a day like this. In keeping with that thought we need Kiwanians who will coordinate this year's Agriculture Committee. That is; to coordinate our LKC's Garden Program. Please consider this opportunity. Lakewood Kiwanis provides 3<sup>rd</sup>, 4<sup>th</sup> & 5<sup>th</sup> grade students with vegetable and flower seeds and tomato and pepper plants. Let President John Andrade or any board member know you're interested in helping.
