### Kiwanis Key Leader

The Key Leader Program is an initiative of Kiwanis International to inspire young people to achieve their personal best through service leadership. Ohio Key Leader events are designed for high school students ages 14-16. There is no limit on the number of students who can come from one high school. Cost for a student is \$135.00 for the weekend for Key Club members and \$160.00 for other participants. The cost is paid for by the sponsor and that is where each of our clubs comes into the process.

Registration for the Key Leader Weekend is done by the student at the Key Leader website: [www.key-leader.org](http://www.key-leader.org).

The 2007 program in April was a great success, in spite of the snow wit more than 50 individuals in attendance. This could not have been done without the work of our clubs and club leaders.

The 2008 Ohio Key Leader program will be May 2-4 at Recreation Unlimited in Ashley, Ohio (Delaware Area) and Brian Yaccuci will be the Site Chair.
