*The Kiwanis International Foundation was established as a legal entity in 1939. When Kiwanis International celebrated its 25th anniversary one year later, Kiwanian Walter Zeller donated 25 silver dollars in hopes that these would be auctioned to provide a “nest egg” for the Foundation. Thankfully, the nest egg netted US\$625 and the Foundation's worldwide service began. From those humble beginnings, the Kiwanis International Foundation has grown to a multimillion-dollar foundation providing grants to thousands of organizations worldwide aimed at making better the lives of children. Thus, our mission – “to assist Kiwanis International in serving the children of the world” – is our priority.
