**"WHERE HAS THE KIWANI-GRAM  
 BEEN FOR THE PAST TWO  
 WEEKS?"**

You might have asked yourself this very question if you're a regular reader. I have asked myself that same question over and over again.

The answer to that question is really quite simple - at this time I really don't have any clue as to where the two issues have gone....but rest assured we're looking into it. We would not want our efforts to go unread. One thing is certain though, at today's meeting you will find not only this issue but you will also find the last two issues as well. Be sure you leave with three Kiwani-Gram issues in hand.

Hopefully those of you with email addresses have registered your address with us and have been receiving those missing issues "On Line" at our KCL web site. They have been there waiting for you as usual.

**THIS-N-THAT FROM LAST WE MET.....**

>>>>We are very glad to report that President-elect Bob Homer is now at home and recovering very nicely we're told. It will still be several weeks before Bob will be able to return to our meetings. He would like hearing from Kiwanians either by phone or a note. Sounds like he's coming along just fine.....Absent from recent meetings has been Dick Moles who has been undergoing various testing. His photos have been noticeably missing from our recent issues....50/50 winnings by Leo Soneson were donated to the Scholarship Foundation - thanks Leo.....Tim Mohr announced that he and wife Pricilla are about to celebrate their 40<sup>th</sup> wedding anniversary. Congratulations to you both....We owe a pat on the back with a "thank you" to Dave Norton and the 25 other KCL members who participated in the Lakewood Art Festival KCL Hot Dog Sale. Over 700 hot dogs were sold that day.....The change in location, around the corner on Warren & Detroit Roads proved not to be as good as our old location.....Our speaker Terance Vincent, Chairman of the Board of the Lakewood Chamber of Commerce noted some of the history and current community items being discussed. The origin of the Chamber dates to 1911. Also introduced was the current President of the Chamber, Patty Ryan.

**Kiwanis Collectables**

The L.K.C. is collecting eye glasses for the Cleveland Sight Center. The Rocky River Kensington School K-Kids, grades 1-5, has asked us to help in an even bigger way....They are accepting all aluminum beverage cans and ask that we flatten the cans and bring them to our meetings. Used cell phones, Campbell Labels, and used printer cartridges. We also accept the large commercial cartridges which go to the Lakewood High School Key Club.

**KCL Luncheon Meals**

In attempting to be in better control of our club's operating expenses, the KCL Board of Directors had approved a new cost for meals. Through negotiations with our caterer we have also been able to agree to a new minimum number of meals each week. Furthermore, through a vote at last week's meeting a further reduction in individual meal cost was approved by eliminating certain menu items.

The Officers and Board are to be congratulated for reaching this very positive solution to a very long standing problem.

There is still much to be considered in reshaping our finances in order to meet new challenges to our operating expenses.

With the current attitude of the officers, board and membership we are assured of a successful outcome.

*It is very important anytime guests will be attending our meetings our officers be notified a week ahead in order to guarantee sufficient meal supplies.*
