SERVING THE COMMUNITY AND ITS CHILDREN

THIS-N-THAT FROM LAST WE MET
 > > > > The 77th Annual “Cow Bell”
 competition with West Park Kiwanis
 is history for 2009 and for the fourth
 straight year Lakewood Kiwanis has not
 been able to win the competition. We
 gave in to a 3% lesser attendance.....
 From our speaker last week, Peggy
 Doyle, we learned that over 21 million
 people in the U.S. have diabetes, and
 6.2% of them are unaware they have the
 disease. By the year 2030 it is predicted
 over 40 million will be stricken. The cost
 of the disease in the U.S. exceeds 132
 million dollars annually. Eating
 healthy, including less fat and more
 whole gains, maintaining a
 recommended weight and including
 exercise helps to minimize the disease.
 Hereditary factors also play an
 important part in acquiring the disease.
