

## Welcome to KIS and 3rd grade

Welcome to 3rd grade! Kensington Intermediate School requires you to read at least 5 books of your choice for pleasure over the summer. (You can definitely read more if you want.) You are also required to keep a log of the books you read.

We have included a variety of age-appropriate fiction titles from which you may choose. You may also select other titles from the public library or local book stores. You may read non-fiction books also, if you wish.

On the first day of school in the fall, you will be required to turn in a list of the books you read over the summer. We will provide a form for you. Please have a parent or guardian sign the form before you turn it in. Please be prepared to talk about your favorite book when you come back in the fall.

Your teachers are enthusiastic about our reading program at Kensington. We hope you are too! We look forward to working with you next year!!

### Resources

In addition to strong book collections in all our school buildings, we provide online resources for students and families to use. From a home internet connection, you can access INFOhio's data bases and our school catalogs. The URL is [www.infohio.org](http://www.infohio.org).

We encourage you to use the public library to bring a multitude of good books and reading experiences to your children this summer.
